WOOL AND
STOCK SALES

While the wool market is extremely
quiet, stock shipments still continue
with reports of fair prices. Sheep are
holding on well and the demand for
range horses is very good. With wool,
there are very few sales to report. Grow-
ers are inclined to hold for better prices.
Storage quarters in this city are already
becoming crowded, while there is a large
amount of wool not yet brought in.
During the week previous to June 1st, about
stationary at about 70 cents per pound in
the market.

On the 29th ult. E. L. Clark, machin-
ist, shipped 20 cases of sheep. Mr. Clark
also shipped another lot of 20 cases on
the 30th.

D. W. Ringer of St. Paul, Minn. will
ship a lot of sheep tomorrow.
They will ship to the Pacific coast.

Davis & Webb of St. Paul, Minn. have
also shipped a lot of sheep to the Pacific
coast.

Matlock & Keweenaw are now loading
up another lot of sheep which they will
ship about the 1st or 2nd of next month to
South Omaha.

Laurence Swock of Monument this
week sold 20,000 pounds of wool at 10 1/2
cents per pound.

Sam Wilkinson is up from the Dalles
receiving wool. He has purchased the
Thos. Quaid lot of 31,000 pounds.

Wool and Stock News in General.

At Arlington J. E. Reynolds and D.
W. Keston have been making large
shipments of stock. May 30th they
shipped 900 head of cattle and 800
head of sheep.

parting to make a large shipment of
sheep. Murdoch McDonald has shipped
200 head of range horses from the same
point to eastern buyers. More wool is
being delivered there than for several
years past, and most of it is of excel-
lent quality.—Ex.

D. S. Brown took delivery Tuesday of
the 400 head of wetters he purchased
last week from Downer Bros., and also
200 head for purchase from Jayne Bros.
Butler and Wm. Brown were in the
Sawyer country this week buying up
yearling steers and heifers. These gen-
tleman were successful in securing about
200 head of choice animals, paying \$18
per head and \$17 for heifers. The cattle
were shipped to Arlington to be shipped
down to Helena, Mont.—London
Journal.

Duff McAndrew has bought from J.
J. Gannon of St. Paul, Minn., who
owns and two-year-old wetters,
paying \$2 for the lot. The price for
the two-year-olds was not given. Duff
has also bought from Joe Ramon and
Pat Radigan 1400 head of yearling wet-
ters, from C. Fennel, 200 mixed year-
lings, and from W. J. Farnsworth, 500
yearlings; the price paid for the three
lots being \$2 per head.—Antelope Her-
ald.

Elmer Mathews started from Arling-
ton Saturday night for Omaha, in charge
of a trainload of horses purchased in
Washington by Eastern buyers, who
were in haste a short time ago. Mike
Manning of the Dalles was in Fossett
last week, when he purchased Bette & Pat-
terson's 1000 head clip of about 100,000
pounds, which has been in the Dalles

about a year, at 11 1/2 cents per pound.
He also purchased their clip of this year
which was not then shorn, at the same
price, and gave them a check as pay-
ment in full for the last year's clip and
an advance of several thousand dollars
on the 1901 clip, which they deliver in
the Dalles. This is the top price paid
for wool in Eastern Oregon this year,
but the wool is first class. Mr. Man-
ning, who is buying for Hallowell &
Donald of Boston, made the Batte-
creek Company an offer of 11 cents for
its wool, which was refused.—Fossil
Journal.

Hoteliers & Collenbath of Harney
county, sold to W. A. Leith 1000 head
of wetters at \$2.50 per head. They sold
the remainder of their band of sheep,
1000 ewes, to A. C. Goldsmith of Waco,
at \$2.75 per head. Mr. Leith also pur-
chased a large number of wetters from
Whitney Bros. and Porter, Jones & Test.

Advance in Beef in Chicago.

Chicago, June 4.—Beef on the
hoof, as stockmen say, has been
advancing in price for the last two
weeks, until the retail butchers of
Chicago have found it necessary to
raise their prices to customers,
just as the butchers have done in
New York. The unusual feature
of the advance is that it affected
only the cheaper grades of meat,
and thus places the burden on the
people who cannot afford sirloins
and porterhouses at 18 and 20
cents a pound.

The advance on what is known

as "cheap stock" such as loins,
ribs and chucks, is 2 1/2 cents a
pound, as compared with the prices
a month ago.

"Beef carcasses have gone up
nearly \$1 per 100 pounds in the
last two weeks," said a representa-
tive of Armour & Co., "but this is
nothing unusual. Cattle are al-
ways higher at this season of the
year. The advance will not con-
tinue long, and it has reached the
top mark already."

An explanation for the increased
cost of beef is in the late arrival
of warm weather and the conse-
quent scarcity of grass fed cattle
from the West. The packers have
been drawing on the supply of corn
fed cattle, with the result that
farmers have demanded better
prices.

The big Pomeroy dredger, at
Weatherby, is now working night
and day, and has been going for
about a week, according to advices
from Baker City.

Slugs and cutworms are doing
no small amount of damage to
early gardens, says a Cottage Grove
paper. Corn and beans are in
some instances, being stripped as
fast as they come through the
ground.

The Junction City Bulletin has
issued a very creditable number
descriptive of Junction City and
the surrounding country. It is
well gotten up and is a valuable
addition to the descriptive litera-
ture of the state.

Prairie City freighters are form-
ing a combination to sustain uni-
form rates. An iron clad contract
providing a \$25 forfeit for rate
cutting has been signed by most
of the men engaged in the busi-
ness. The rate is \$1 per hundred
from Baker City and 75 cents from
Whitney.
